

ACER

 Agency for the Cooperation
of Energy Regulators

Public Consultation Document on the draft RRM and RIS Guidelines - Introduction

Volker Zuleger

Head of the Market Monitoring Department

**Public Workshop
Ljubljana, 25 April 2013**

Background

This public consultation document was prepared on the basis of the ACER Recommendations to the Commission as regards the records of wholesale energy market transactions, including orders to trade, according to Article 8 of REMIT from 23 October 2012. It is without prejudice to the Commission's Implementing Acts according to Article 8 of REMIT.

ACER Recommendations on Trade Data Reporting

Records of Transactions

Records of wholesale energy transactions, including orders to trade, *to be reported from organised market places*
(Annex II.1 of ACER Recommendations)

Records of transactions in standardised energy commodity contracts including derivatives *to be reported from trade repositories, trade matching and trade reporting systems*
(Annex II.2 of ACER Recommendations)

Records of transactions in non-standardised energy commodity contracts ("*short form reporting*") *to be reported from one party of the contract*
(Annex II.3 of ACER Recommendations)

Scheduling/Nomination Data *from TSOs*
