
Announcement of Roundtable meetings on REMIT implementation

Ljubljana, 25 October 2016

Subject: Invitation to participate in the Agency's REMIT implementation roundtables

In connection with the implementation of Regulation (EU) No 1227/2011 (REMIT) and Commission Implementing Regulation (EU) No 1348/2014, the Agency for the Cooperation of Energy Regulators will organise roundtable meetings with interested stakeholders on REMIT implementation during 2017.

The purpose of the roundtables is to listen to the views of, and obtain information from, interested stakeholders and invite attendees to comment on selected questions on data collection and other compliance issues under REMIT and its Commission implementing regulation, whenever further consideration would be useful.

Roundtable meetings will be arranged separately for the following stakeholder groups and/or sub-groups thereof:

- Associations of energy market participants on transaction reporting guidance and data quality.

The Agency will continue the roundtable meetings with the Organised Market Places, Inside Information Platforms and Registered Reporting Mechanisms registered with the Agency. Entities published in the respective lists on REMIT Portal are automatically eligible for participating in these roundtable meetings.

Further roundtables for additional stakeholder groups will be considered as and when needed.

The roundtable meetings will be held in Ljubljana. Stakeholders are invited to register online at <http://surveys.acer.europa.eu/eusurvey/runner/roundtable-call-2017> their interest to participate in the roundtables by 12.00 noon, Central European Time on Friday 25 November 2016.

Applications received after this deadline will not be considered.

The roundtable meetings can accommodate a limited number of participants. In the interest of admitting as many stakeholders as possible while ensuring variety, only one participant per organisation is normally permitted at the roundtable meetings.

Further information about the dates, draft agendas and more details will be sent to registered participants in due course well in advance of the relevant roundtable meeting.

Yours Faithfully,

signed

Volker Zuleger

Head of the Market Monitoring Department
