## Announcement of roundtable meeting on REMIT implementation

---

*Ljubljana, 23 January 2014*

***Subject: Invitation to participate in the Agency's REMIT implementation roundtable meeting of the stakeholder group of organised market places***

Dear Sir/Madam,

In connection with the implementation of Regulation (EU) No 1227/2011 (REMIT), the Agency for Cooperation of Energy Regulators organises roundtable meetings of interested stakeholders. The purpose of the roundtables is to collect the views of, and obtain information from, interested stakeholders and invite attendees to comment on selected questions on data collection under REMIT, on which we believe further consideration would be useful. The first set of roundtable meetings took place in September 2013.

This announcement is directed to the stakeholder group of **organised market places for wholesale energy products**. The next roundtable meeting will take place in Ljubljana on 18 February 2014. This meeting will focus on three main issues:

- i) *List of standardised contracts and organised market places*
- ii) *Reporting of orders to trade*
- iii) *Technical standards for the reporting of trade data*

In order to decide on the exact organisation of the roundtable, energy exchanges are invited to register their interest to participate in the meeting by 6 February 2014, i.e. two weeks after publication of this announcement on the Agency's website, by sending their application to the following mailbox: [remit.roundtable@acer.europa.eu](mailto:remit.roundtable@acer.europa.eu). Applications received after this deadline may not be considered.

Further information will be sent to registered participants in due course.

Yours Sincerely,

Volker Zuleger
